Rehabify

Physical therapy made accessible for all

Try Pitch

The problem we are facing

The problem

Physical therapy depends on consistent, high-quality home exercise.

The challenge

Zero visibility for PTs on what happens at home between appointments

The result?

Slower recovery, frustrated patients, overworked therapists, and money down the drain.

Try Pitch

The solution

Try Pitch

Rehabify's Solution: Closing the Visibility Gap in Physical Therapy

Rehabify aims to improve patient compliance and outcomes by providing real-time form correction and transparent progress tracking for physical therapists, all while prioritizing patient privacy.

Improve adherence

Instant feedback and engagement for real progress

Increase Accessibility

No appointments or upfront costs to start rehab

Improve Outcomes

Form monitoring and consistent rehab for faster recovery
